In view of the financial position of the School and the substantial profit earned by the School, the Committee does not find any justification at all for any enhancement in the fees structure for the time being. The School can meet its expenditure without any further burden on the students.

The School has not given any justification for making increase in its fee structure. Though the margin of enhancement of fee is not more but as the School is earning profit even on the present fee structure and it has not disclosed any grounds/justification for the increase, the Committee finds that no such enhancement can be allowed unless any sufficient ground is shown for the same.

Prayer of the School in the present form, to make enhancement in its fee structure is disallowed.

Chief Education Officer concerned may ensure due compliance of this order.

Order accordingly.

Srinagar.
